MYSORE LEGISLATIVE ASSEMBLY

TWENTY-FOURTH DAY

Thursday, 18th March 1954

The House met in the Assembly Hall, Old Public Offices, Bangalore, at 12 of the Clock.

Mr. SPEAKER (Sri H. SIDDAIYA, B.A., LL.B.) in the Chair.

QUESTIONS AND ANSWERS

New Tank near Kagalagere

Q.—789. Sri G. DUGGAPPA (Holalkere).—

Will the Government be pleased to state :—

(*a*) whether an estimate was prepared for the construction of a new tank near Kagalagere in Holakere Taluk;

(*b*) if so, when the estimate was prepared and what was the estimated cost;

(*c*) whether the Chief Engineer or the Executive Engineer visited the spot;

(*d*) if so, when; what is the opinion of the Chief Engineer in the matter ?

A.—Sri Kadidal MANJAPPA (Minister for Revenue and Public Works).—

(*a*) Yes.

(*b*) In 1952-53, Rs. 3,47,450.

(*c*) Only the Executive Engineer has visited the spot.

(*d*) On 13th January 1954. As the Project as prepared was found to be unremunerative, the Chief Engineer has directed further investigation.

Sri G. DUGGAPPA.—I have no supplementaries, as the Chief Enginee states that he would inspect the place

---

Naraginakere and Kullehalli Tanks

Q.—864 H. S. RUDRAPPA (Honnali).—

Will the Government be pleased to state :—

(*a*) the number of tanks that have been restored or constructed newly for the last five years in Honnali Taluk;

(*b*) the amount spent for the above items for the last five years;

(*c*) whether it is a fact that the concerned people have made representations to the Engineering Department to renovate the Naraginakere and Kullehalli tanks in Belagutti Hobli in Honnali Taluk.

(*d*) if so, what steps have been taken by the Government to renovate the above tanks ?

A.—Sri Kadidal MANJAPPA (Minister for Revenue and Public Works).—

(*a*) 18 tanks have been restored. No fresh construction of tanks has been undertaken during the last five years.

(*b*) Rs. 48,835.

(*c*) Yes.

(*d*) Investigations carried out during 47-48 in respect of Naraginakere revealed that the tank is in good condition and that the capacity of the tank is sufficient to irrigate its atchkat of 10 acres and 25 guntas. There is, therefore, no necessity to restore this tank. With regard to Kullenahalli Tank, preliminary investigations have been carried out and the matter is under consideration.

Sri H. S. RUDRAPPA.—Has it come to the notice of the Government that the Naraginakere Tank which was renovated three years ago is under disrepair again ?

Sri Kadidal MANJAPPA.—The report is that the tank is in a good condition. However, I will enquire.

Sri H. S. RUDRAPPA.—Has it come to the notice of Government that the people of Honnali Taluk have been urging for the construction of new tanks ?
